# Parent Life, A Ministry of YFC

Be a mentor to a local teen-parent.

## **Who is this opportunity for?**

Men & Women (Ages 18+)

## **What is involved in this opportunity?**

Parent Life connects pregnant and parenting teens with equipped, supportive, and encouraging adults. Mentors engage young moms and dads in activities and lessons focused on the physical, emotional, mental, and spiritual aspects of life and parenting. Each mentor is paired with one or two teen parents whom they will interact with during weekly meetings and throughout the week via visits, phone calls, texts, and inviting the teens to join them at church. At each meeting, the mentors, teens and their children come together as a large group to share a meal. After dinner, the children are brought to a nursery and the mentors and teens listen to a guest speaker and then break off into small groups for Bible study and parenting discussion.
