

# SPRING CLASSES 2019

Following is the listing of classes offered for our Spring semester, which runs February through May. Childcare for all ages will be offered for classes that meet on Sundays at 11:15 AM.

**All classes will break for Easter (4/21).**

***Parables in the New Testament book of Luke (12 Weeks):*** We will learn what Jesus meant in his parables. The parables are windows into the heart and mind of God. They help us know who God is. They expose our condition, but also point to his remedy for us.

- **Meets:** Sundays at 8:15am
- **Taught by:** Dr. Bob Gullberg

***1 Timothy (12 weeks).*** Join us as we study through the book of 1 Timothy together. The goals of this class are to increase every participant's competency, confidence, and desire in their own personal Bible study, and to gain a better grasp of what God has for us in this wonderful book.

- **Meets:** Sundays at 8:15am
- **Taught by:** Matt Hagemann

***Why Christianity? (8 weeks).*** Have you ever been asked a question about your faith that gave you pause? Have you ever been reluctant to share your faith over fear of being asked a question you couldn't answer? In this class, we will go over some of the most common questions about Christianity and how to deal with them.

- **Meets:** Sundays at 8:15am
- **Taught by:** Rod Pflederer & Patrick Tetzlaff

***Isaiah Part II (12 weeks):*** This class continues our study of the book of Isaiah. Isaiah has been called 'the fifth gospel' or 'the Romans of the Old Testament'. In no other book of the Old Testament is the big picture of God's purposes for his people and for the world communicated so clearly as in Isaiah. Part II will cover chapters 40-66. All are welcome and will benefit, even if you did not attend Part I.

***Living life after disaster: Practical lessons from the books of Haggai, Zechariah, and Malachi (12 weeks)*** Principles on rebuilding a spiritual relationship with God from Haggai, Zechariah, Malachi.

This is a great class for anyone who has gone through a hardship, feels distant from God, or simply needs to re-engage their relationship with God in a better way.

**Women's Class | 1 John (8 Weeks).** In the book of 1 John, John explains to believers how they can know that they truly know Christ. The content and format of the study is designed specifically for women to attend with someone else with whom they are currently or would like to begin a discipleship relationship. Mothers and daughters (6th grade and older) would be a great fit for this class as well as any other pairs or groups of women seeking to study and discuss God's Word together in an ongoing format. This class will involve some homework.
