Focus of trip:

Erica Kienzle is a Grace-supported field worker who oversees the horse ministry at Rancho El Camino in La Paz, Mexico. Rancho El Camino serves the people of La Paz and around the world through recreational therapy programs and community development initiatives. They work alongside the local churches and the local government in providing programs for children, teens, and families. The Ranch has a strong missional focus among teens in Mexico and the US.

Our Grace team will spend part of our days helping with maintenance projects on the ranch such as painting, repairing, cleaning, and other needs they may have. We will also spend part of our days doing outreach events either at the ranch or out in the community to share the love of Christ with individuals, families and the surrounding community.
