Big Idea: Wild Animals help us to better understand both God’s freedom and His sovereignty

Memory Verse Review: “To whom will you compare Me? Or who is My equal?” says the Holy One.” Isaiah 40:25

At Home Activity: Observe the Wild Animals

Take a trip to the zoo or watch a nature documentary that showcases wild animals. As you watch these animals, how do they show you the greatness of God? Read Job 41 together. What kind of animal comes to mind as you read these verses? Would it be a good idea to try to make this kind of animal a pet? Why not? Would you want to meet this kind of animal in the wild all by yourself? Re-read verses 10 and 11. What does God want us to understand about Him from the description of this animal?

At Home Activity: Wild Animal Habitats

Think about different kinds of habitats that God created (grasslands, the arctic, jungles, deserts, mountains, etc). Focus on a different habitat each day. What kinds of wild animals live where? How did God design them for that particular habitat? Spend some time thanking God for creating those animals and the perfect habitat for them.
