

# “All Creation Groans: The Fall of Man” Take Home Page

**Big Idea:** All people have sinned—we fall short of treasuring and reflecting God’s specialness and worth

**Memory Verse Review:** “The wrath of God is being revealed from heaven against all the godlessness and wickedness of men.” Romans 1:18a

## **At Home Activity: Before and After**

Tackle a home project together such as organizing a closet, cleaning a room, or doing some yard work. Take a picture of the before and after. Show your children the pictures but then reverse them. Explain that this is what happened when sin entered the world. Instead of the world being perfect as God had made it—sin made it worse. It would be like someone taking the nice clean room you just organized and trashing it. Talk together about some things that would’ve been different before and after the fall into sin. Why is this such a sad event?

## **At Home Activity: Memory Verse Talk**

As you review this week’s memory verse with your child, talk about why it is good that God is angry about sin. What would be wrong with him being okay with it? Have your child imagine if they made something perfect and then someone broke it? Ask your child how they feel when someone breaks the rules and doesn’t get punished? You may want to point out that when God made the world, He knew it would get broken, and He did it anyway. What does that tell us about God and how great He is?
